Learn how to sit, stay, and roll over with this fully illustrated, “delightful” guide to yoga starring man’s best friend (Shutterbug magazine). Inspired by a friend’s mastiff who would imitate his master’s morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don’t worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. “A fresh and highly entertaining visual treat,” Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

“For the first time, Ryan Berkley’s iconic animal portraits are collected in book form (along with some exclusive new ones), with accompanying stories for each animal by his wife Lucy Berkley. This tongue-in-cheek illustrated social commentary from one of the most popular Etsy artists of all time will delight as well as make you think.”

The results are stunning, charming, and laugh out loud adorable. No matter the breed, no matter the background, Hodson is able to capture the sweet personality of each dog she works with. There’s no better book to help someone turn their frown upside down.
