~~before a twisted global conspiracy turns deadly. GIDEON DAVIS, whose behind-the-scenes negotiating skills have earned him the role of peacemaker in conflicts around the globe, knows more about hush-hush discussions in Capitol corridors than he does about hand-to-hand combat. The agent, Tillman Davis, has promised to turn himself in~~
~~but only to his brother, Gideon. Although the two brothers have been estranged for years, Gideon cannot fathom how his brother could have turned into so ruthless a man. ~~The story of Gideon retold from the bible (from the book of Judges 6-8). Illustrated by Duncan Maclaren. The Bibletime series by Carine Mackenzie have been praised for their accurate retelling of great bible stories. This timeless collection has been printed in many languages throughout the world and sold in their millions. They can be read over and over again.~~

~~Twas a time when Jesus in his pre-existent form came unto Gideon disguised as an angel. And he could tell that the measure of that Tailor of the Ages was cut out of perfection and was ever so carefully knitted together with absolute flawlessness. Nor can anyone argue that the Bible didn't clearly reveal Him to be the Lord. Now Gideon was afraid he would die over seeing Him since 50,000 men were even slain in the book of 1st Samuel 6:9 just for looking into the arc of the covenant. But our Lord of Always had some amazing plans for that son of Joash, which included fire gushing out of a rock, as well as a fleece drenched with dew, even though the ground stayed dry as a sign. Therefore Gideon was a mighty man of valor even though he struggled with lots of doubt. And every reader herein shall find that his incredible story of his doubts really comes alive here. For above all, that son of Joash realized very well that faltering faith lives upon doubts and that those same doubts either transforms into some insanity or completely stops as soon as soon as anyone passes from doubt to certainty. And that's where he earnestly wanted to be....certain!~~

~~In a 2019 interview with the webzine DC in the 80s, Jeff Lemire (b. 1976) discusses the comics he read as a child growing up in Essex County, Ontario~~
~~his early exposure to reprints of Silver Age DC material, how influential Crisis on Infinite Earths and DC’s Who’s Who were on him as a developing comics fan, his first reading of Watchmen and The Dark Knight Returns, and his transition to reading the first wave of Vertigo titles when he was sixteen. In other interviews, he describes discovering independent comics when he moved to Toronto, days of browsing comics at the Beguiling, and coming to understand what was possible in the medium of comics, lessons he would take to heart as he began to establish himself as a cartoonist. Many cartoonists deflect from questions about their history with comics and the influences of other artists, while others indulge the interviewer briefly before attempting to steer the questions in another direction. But Lemire, creator of Essex County Trilogy, Sweet Tooth, The Nobody, and Trillium, seems to bask in these discussions. Before he was ever a comics professional, he was a fan. What can be traced in these interviews is the story of the movement from comics fan to comics professional. In the twenty-nine interviews collected in Jeff Lemire: Conversations, readers see Lemire come to understand the process of collaboration, the balancing act involved in working for different kinds of comics publishers like DC and Marvel, the responsibilities involved in representing characters outside his own culture, and the possibilities that exist in the comics medium. We see him embrace a variety of genres, using each of them to explore the issues and themes most important to him. And we see a cartoonist and writer growing in confidence, a working professional coming into his own.~~

~~Truly Devious meets Turtles All the Way Down in critically acclaimed author Katie Henry’s YA contemporary comedic mystery, a hilarious send-up of the hardboiled detective genre that spotlights family, friendship, and love. Gideon’s short-lived run as a locally famous boy detective ended when middle school started, and everyone else—including his best friend, Lily—moved on while Gideon kept holding on to his trench coat, fedora, and his treasured film noir collection. Now he’s sixteen and officially retired. That is, until Lily shows up suddenly at Gideon’s door, needing his help. He might be mad at her for cutting him off with no explanation, but Gideon can’t turn down a case. As a cover, Gideon joins Lily on the school paper. Surprisingly, he finds himself warming up to the welcoming, close-knit staff . . . especially Tess, the cute, witty editor-in-chief. But as the case gets bigger than Gideon or Lily could have anticipated, Gideon must balance his black-and-white quest for the truth with the full colors of real life~~

GIDEON’S SWORD:At twelve, Gideon Crew witnessed his father, a world-class mathematician, accused of treason and gunned down. At twenty-four, summoned to his dying mother’s bedside, Gideon learned the truth: His father was framed and deliberately slaughtered. With her last breath, she begged her son to avenge him. Now, with a new purpose in his life, Gideon crafts a one-time mission of vengeance, aimed at the perpetrator of his father’s destruction. His plan is meticulous, spectacular, and successful. Gideon gets the parchment-only to learn that hidden beneath the illuminated image is a treasure map dating back to the ancient Greeks. As they ponder the strange map, they realize that the treasure it leads to is no ordinary fortune. It is something far more precious: an amazing discovery that could perhaps even save Gideon’s life. Together with his new partner, Amy, Gideon follows a trail of cryptic clues to an unknown island in a remote corner of the Caribbean Sea. There, off the hostile and desolate Mosquito Coast, the pair discover the extraordinary treasure they are hunting conceals an even greater shock-a revelation so profound that~~

The most comprehensive and accessible introduction to scriptural art yet written Literary Study of the Bible: An Introduction approaches each book of the Bible (including several of the apocrypha) with non-sectarian literary questions, exploring the meanings that the Bible reveals when we read it like a poem, narrative, or play. As a unique hybrid of introductory guide, essential handbook, historical survey, and absorbing commentary, this book fills a gap in literary Bible study with its fresh perspectives on the biblical writers' many arts. Readers will engage in wide range of textual approaches and interpretive traditions through this broadly informed, accessibly written text. Dr. Christopher Hodgkins has taught Literary Study of the Bible for 25 years, over which time he has field-tested the many lenses of genre, image, language, characterization, plot, and craft used throughout this book. Tracing the sources, composition, and influences of the Biblical text, this book places the Bible in a tradition of ancient near eastern, Hebrew, and Hellenistic literary art, giving new depth to the way we understand the familiar stories of scripture. Unlike other literary introductions to the Bible, this book uniquely combines these elements: Approaches the Bible as a richly collaborative and coherent work of literary art, exploring how earlier books influence the creation and interpretation of later ones Provides illuminating commentary supplemented by explanatory textboxes, maps, illustrations, and study questions to enhance interest and expand learning Introduces poetic and narrative devices like doubling, juxtaposition, and irony within the context of scriptural art and editorial design Gives extensive attention to each biblical book, resulting in the most comprehensive introduction to literary Bible study to date Presents these materials through an accessible and lively text permeated with references to both high and popular culture Literary Study of the Bible will be a welcome addition to personal, school, college, and congregational libraries, as well as an excellent text for students of the Bible in both secular and faith-based settings.
