A write-in activity book for young children, full of mazes, dot-to-dot, drawing, colouring, stickering, spot-the-difference, counting, spotting and matching activities - all themed around space. An interactive way for children to find out about what's out in space, with exciting space facts and lots of space-related vocabulary. Illustrations: Full colour throughout WARNING! Not suitable for children under 36 months because of small parts. Choking Hazard.

An imaginative nature-themed activity book for young children, packed with different things to do. As well as lots of colouring and stickering, there are mazes, spotting puzzles, dot to dot, step-by-step drawing, and lots more. Fascinating facts about animals, plants, insects and different natural environments are incorporated into the activities. No equipment is needed apart from some pencils or pens, so this is a perfect activity book for holidays and rainy days. Readers won't realise that they are learning all about nature while they're having fun.

Crammed with space-themed fun, including dot to dot, spot the difference, coloring in, and other amusing activities, this book comes with four pages of stickers. Fun and educational, it features beautiful, bright illustrations that will draw children in and keep them busy. Full color. Consumable.

Blast off for adventure! Kids will have fun with these out-of-this-world activities that range from word searches and mazes to connect the dots and other puzzles! They can find a pathway through the stars, solve cosmic crosswords, spot the differences between space robots, and more. Solutions appear at the end, and the playful drawings are great for coloring, too.

An exciting interactive title chock-full of stars, planets, aliens, and everything out of this world brings National Geographic Kids signature content to a sticker and activity book format. For kids who love our universe, this book features the coolest science kids can't get enough of: our planet Earth, cool asteroids, fun aliens, comets, and so much more. Packed with mazes, spelling and pattern games, drawing activities, and more, kids are sure to love these pages loaded with fun.

An activity book awash with an irresistible selection of brightly illustrated brain teasers on an undersea theme; things to find, similarities to spot, differences to detect, fish to draw and colour and more. Young children can enjoy pages full of fun activities and puzzles, developing their powers of observation, and their number and language skills whilst learning about underwater creatures.

This book is filled with mixed activities to keep little children happy and occupied on holiday, on journeys and at home. Contains lots of puzzles, drawing, colouring, dot-to-dots, mazes, spot the difference and so on.

Is your child fascinated by space? You want to make them go "WOW", right? Well, do we have the answer for you! Solar System For Kids is a totally awesome activity book with LOADS of amazing facts about the solar system, including a detailed look at each planet and cool handwriting activities to get stuck into. Your cosmos-crazy child will not only learn about the solar system but also enjoy the colouring-in and mazes included within this activity book. Watch them soar with enthusiasm through the stratosphere and return on a cloud of stardust to impress you with their newly-learned facts and figures all about the solar system. For example, did you know there was a MOUNTAIN on Mars? That's just one of the cool facts contained in this

brilliant space book. They will learn all about: the planets in our solar system, what an astronaut does, what the International Space Station is, famous people who have travelled into space, what comets and asteroids are, and they even get to design their own planet! So, let's not waste another second on Earth. Get hold of your copy of Solar System For Kids TODAY and give your child their ticket on the rocket ship to the stars. Visit [hackneyandjones.com](http://hackneyandjones.com) to see our full range of fiction, notebooks/journals and activity books for kids.
