"This text is designed to give the advanced Air Force ROTC student an over-all view of the military justice system, of how it operates in the Air Force, and of the general responsibilities of those in 'authority or command' who must administer the system. And, above all, it is hoped that the text will engender a feeling that military justice is directly, intimately, and essentially concerned with human conduct - rather than with arbitrary rules, legalistic distinctions, and inflexible

Book Review Selected as one of the best books of the year by The New York Times Book Review, Time, Newsweek, The Washington Post Book World, Amazon, and more Phil Klay's *Redeployment* takes readers to the frontlines of the wars in Iraq and Afghanistan, asking us to understand what happened there, and what happened to the soldiers who returned. Interwoven with themes of brutality and faith, guilt and fear, helplessness and survival, the characters in these stories struggle to make meaning out of chaos. In "Redeployment", a soldier who has had to shoot dogs because they were eating

human corpses must learn what it is like to return to domestic life in suburbia, surrounded by people "who have no idea where Fallujah is, where three members of your platoon died." In "After Action Report", a Lance Corporal seeks expiation for a killing he didn't commit, in order that his best friend will be unburdened. A Mortuary Affairs Marine tells about his experiences collecting remains—of U.S. and Iraqi soldiers both. A chaplain sees his understanding of Christianity, and his ability to provide solace through religion, tested by the actions of a ferocious

Colonel. And in the darkly comic "Money as a Weapons System", a young Foreign Service Officer is given the absurd task of helping Iraqis improve their lives by teaching them to play baseball. These stories reveal the intricate combination of monotony, bureaucracy, comradeship and violence that make up a soldier's daily life at war, and the isolation, remorse, and despair that can accompany a soldier's homecoming. Redeployment has become a classic in the tradition of war writing. Across nations and continents, Klay sets in devastating relief the two

A profile of the only World War II Marine to win the Medal of Honor, the Navy Cross, and a Purple Heart parallels his career with notable World War II memoirists while tracing his significant achievements at Guadalcanal and Iwo Jima.

After graduating from Princeton, Donovan Campbell wanted to give back to his country, engage in the world, and learn to lead. So he joined the service, becoming a commander of a forty-man infantry platoon called Joker One. Campbell had just months to train and transform a ragtag group of brand-new Marines into a first-rate cohesive fighting unit, men who would become his family. They were assigned to Ramadi, the capital of the Sunni-

dominated Anbar province that was an explosion just waiting to happen. And when it did happen—with the chilling cries of "Jihad, Jihad, Jihad!" echoing from minaret to minaret—Campbell and company were there to protect the innocent, battle the insurgents, and pick up the pieces. Thrillingly told by the man who led the unit of hard-pressed Marines, *Joker One* is a gripping tale of a leadership and loyalty.
