That is the world of Aaron Hodges' spectacular book, Oathbreaker, the first book in the Legends of the Gods trilogy. I really can't say too much more without serious spoilers, but suffice it to say that you will be extremely entertained and enthralled by this book, with plot twists galore and more double-crosses than a Game of Thrones episode.

Aaron Hodges Interview with the author So what was your inspiration for Daughter of Fate? When I started writing this book, I wanted to do something a little different. While there is a larger plot driving the action, Daughter of Fate is really about family and how that word can mean different things to different people. At the centre of the story is Pela and her uncle Devon, and their quest to rescue Pela's mother. In the past, Devon has conquered nations and defeated demons, but that now it's his family in danger, he may be too old to protect them. Is this your first novel? Daughter of Fate is my tenth complete novel! The story is set in the Three Nations - where two of my prior trilogies were also based. The Sword of Light trilogy takes place 150 years before Daughter of Fate, while the Legend of the Gods tells the story of Devon when he was a young man. You can find both trilogies right here on Amazon What do you think makes a good story? I think a good story needs great characters. The plot and world can be as fascinating and expansive as you like, but you're not going to care about it unless you care about the characters. That's why I've always considered David Gemmell one of my greatest inspirations - his characters were so engaging. I could hardly bare to put down one of his novels. I also loved David Eddings, Tamora Pierce, and of course the great G.R.R. Martin for the same reasons! Do you hear from your readers much? Do you want to hear from them? I do and I do! I mostly keep in contact with my readers through my weekly newsletter (which you can subscribe to below) and my Facebook page, where I post about my travels around the world. Often you'll find my pictures strangely similar to some of the scenes and locations in my novels;-) There's a lot of European influence in Daughter of Fate. In fact, Pela's home village is taken straight from the tiny medieval town of Kotor, in Montenegro!

Fifteen-year-old Raim lives in a world where you tie a knot for every promise you make. If you break that promise, you're scarred for life and cast out into the desert. On the most important day of his life, Raim's wrist knot bursts into flames, scarring him as an oathbreaker. Now he has two options: run or die.

When Knights attack the temple of Skystead, seventeen-year-old Pela is the only one to escape. Her mother and the other villagers are taken, accused of worshipping the False Gods. "An exceptional series opener ..." - Kirkus Reviews Armies will clash and gods will die... For thousands of years, the Breaker of the Dawn has been locked away in the ethereal plane of the Otherworld. Now, a young blacksmith's apprentice finds himself trapped in a war between the noble Athrani, a subset of humanity gifted with the ability to transmute matter, and the malevolent and powerful Khyth, who seek to free the ancient god from his prison. Gift of the Shaper chronicles the epic struggle between the existing forces of good and evil, with both sides vying for control of the key that unlocks the Otherworld. The very powers of creation and destruction hang in the balance, and only a heroic effort can possibly stop the Khyth from unleashing ruin upon their world. "...a rollicking good read that is for the fantasy fiction lover in all of us. ... packed full of adventure, action, suspense, and horror. ... akin to the classics of fantasy fiction from Tolkien and modern-day George RR Martin." -Seattle Book Review "The Highglade series is nothing short of pure wonder. This is what fantasy should be. D.L. Jennings has created a rich, layered world that readers will love to get lost in. A must read for any fan of fantasy." - Luke Newman, Amazon bestseller, and author of the LEGENDARY series.
