The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me ' s people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize – winning author N. Scott Momaday.

For over a century, Thayer's has been lauded as one of the best New Testament lexicons available. Both accessible and thorough, it is a work suited for the student of New Testament Greek. Thayer's provides dictionary definitions for each word and relates each word to its New Testament usage and categorizes its nuances of meaning. Its exhaustive coverage of New Testament Greek words, as well as its extensive quotation of extra-biblical word usage and the wealth of background sources consulted and quoted, render Thayer's an invaluable resource.
