## Changes to International Law Over Time

Through a number of case studies, covering a wide range of topical issues such as surveillance, environmental regulation, migration and foreign investments, the book argues that the expansion and increased institutionalisation of international law itself have created the structural premise for this type of politics of international law.

International law is an important part of the structure of our international society. It adds that states accept it as such, and their record in observing it bears comparison with the level of law observance in many countries. It stresses that international law is a part of the structure for it is an integral part of it and not an optional extra
